<b>2. Minutes from the previous meeting</b>	<p>The minutes from the PC meeting held on 25<sup>th</sup> September were checked and agreed to be accurate.          Proposed: DW          Second: MMG</p>	
<b>3. Finance</b>	<p>MMK had sent her apologies but noted that the PC accounts were as reported at the previous meeting.</p>	
<b>4. New School</b>	<p>Following the public meeting with the HC on 7<sup>th</sup> October, the Football Club have had independent drawings made and have presented three plans to the PC which show how the proposed new school footprint could fit in other places around the school site, leaving the top pitch area free. DW met with football club members, who have asked that the parent council consider these new plans, and send a joint statement with the plans to the HC. The PC spent some time discussing the plans presented. It was highlighted that a surveyor had not actually visited the school site, and had simply reworked drawings already provided by the HC. The PC noted that, had a surveyor visited the site, they might have realised the difficulties with placing a building as it had been drawn on many of the plans.</p> <p>PC members agreed to look at the plans in detail and email comments to DW, who would put together a joint statement to be forwarded on to the HC.</p> <p>PC members highlighted that the HC made it clear that the footballers should be looking for alternative pitch sites, whereas the footballers are actually trying to move the new school site instead. Keith Ranicar has contacted the MacLeod Estate, who are happy to gift the site at Lonemore to be made into a sports pitch.</p>	<p>PC members to email DW with comments asap</p>
